

# COMMANDO BRIDGE

Round turn and two half-hitches round trees. Pull ropes very tight. Lower rope will need tightening at intervals. Harvester's Hitch, an easier knot to tighten, could be used at one end.

**Equipment**  
Two 3 in. sisal ropes.  
(Ropes are measured by circumference).  
Sacking to prevent damage to trees.

Harvester's Hitch

Tie loop here with cord.

Pull back tight round tree. Fasten at X with two half-hitches.
