

Harvester's Hitch

The loop here with cord. Tie back tight round tree. Fasten at X with two half-hitches.

MONKEY BRIDGE

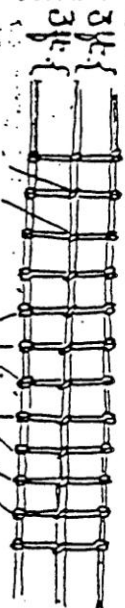

The round-turn and two half-hitches over sacking round trees or Harvester's Hitch at one end of lower rope.

Equipment:

- One 3 in. sisal rope,
  - Two 2 in. sisal ropes, all of equal length,
  - 12 or 15 1 in. ropes 7 ft. long.
- Sacking for trees.

Stage 1

Before erecting bridge, place ropes on ground. Tie short ropes in place at 2 ft. intervals.

Clove-hitches Round turn and two half-hitches
